

Guidelines for use of Bulls Facility

- Only Bulls coaches and board members approved by the board have access code. Bulls WC will maintain a list of individuals who have been approved to have access code.
- All participants must have valid USA Card and waiver on file.
- No one under the age of 18 may be left unattended in Bulls facility.
- Whirlpool must be used under adult supervision.
- Weight training area is for supervised training and all participants must be a minimum of 15 years old unless under parent or coach supervision.
- All planned activities i.e. weight lifting, fitness, wrestling should be publicized on social media and open to all members.
- Any damage must be brought to the attention of Bulls Board of Directors and Steve Bryant immediately.
- Any skin ailments, contagious or otherwise should be brought to coach's attention immediately.
- Drinks and food should be kept out of wrestling and weight lifting areas.
- No alcohol, drugs, or tobacco of any type is allowed in the facility.
- Any misconduct by coaches or participants could result in future restrictions of wrestling facility.

These are basic guidelines, along with common sense these guidelines should be carried out and overseen by all coaches, board members, and participants. If abuse is seen by anyone please report it right away to a board member.
